

VALLEY WATERFOWL

2026-27 Hunter Registration & Booking Guide

Before requesting a blind, complete all five registration steps on the Valley Waterfowl website. Your AllBooked account will not be able to request hunts until Valley Waterfowl activates it as an Approved Hunter.

THE FIVE REGISTRATION STEPS

1. Download Hunter Instructions

Read this guide before beginning registration so you understand how registration, approval and blind requests work.

2. Register

Create your Valley Waterfowl AllBooked account. New accounts begin as Pending.

3. Sign Waivers

Complete and electronically sign the required Valley Waterfowl and landowner waivers through DocuSign.

4. Pay Hunt Fee

The annual hunt fee is \$200 for adult hunters. Juniors under 18 hunt free and should not use the adult payment link.

5. Account Activation

After Valley Waterfowl confirms your registration, signed waivers and payment, your account will be activated as an Approved Hunter. You may then request blinds.

USING ALLBOOKED

1. Log In

Log in to the Valley Waterfowl AllBooked site using the email address and password you used when registering. AllBooked normally opens in Day view. We recommend clicking **Grid** at the top of the schedule. Grid makes it easiest to see all three blinds: **Dingville, Biggs and Harbison**.

2. Request a Hunt

Choose the date you want to hunt and select your first-choice blind. After you select a blind, the hunt time will change to **5:00 AM - 5:00 PM**.

On the request form, select a Second Blind Choice and Third Blind Choice if desired, confirm the required information, and submit the booking request.

Submitting a request does not mean you have the blind. All Valley Waterfowl bookings require approval by the Blind Manager. You will receive an email when your request is approved, changed or rejected.

IMPORTANT: Hunt the blind shown on your final approval - not necessarily the blind you originally requested.

BOOKING LIMITS

Hunters may request hunts up to **14 days in advance**. A hunter may have a maximum of **2 hunt requests/bookings per Sunday-Saturday week**. Pending requests count toward this weekly limit. A hunter

may have only **one blind for the same hunt period**. Repeating or recurring bookings are not permitted.

If you reach a booking limit, AllBooked will prevent you from submitting another request.

VIEWING THE SCHEDULE

Other hunters' names are not displayed. An occupied blind will show as **5:00 AM - 5:00 PM** on the schedule. For the clearest view, use **Grid**, where each blind has its own column.

Pending requests do not appear on the schedule. A blind is shown as occupied after the request has been approved.

DINGVILLE

Dingville is normally available Saturday, Sunday and Wednesday. Closed days will display **Dingville Closed**. On qualifying weather days, Valley Waterfowl may open Dingville on an otherwise closed day.

Hunters using Dingville must leave the blind by **1:00 PM**, unless the National Weather Service forecasts winds of **10 MPH or greater at Sacramento International Airport**. When that exception applies, hunters may remain until the end of legal shoot time.

CANCELLATIONS

If you cannot make an approved hunt, cancel it in AllBooked as soon as possible so the blind can be made available to another hunter. Once a hunt has been approved, hunters cannot edit the booking themselves. If you need a change rather than a cancellation, contact the Blind Manager.

THE SHORT VERSION

Register -> Sign Waivers -> Pay -> Wait for Approval -> Log In -> Use Grid -> Request a Blind -> Wait for Approval -> Hunt the Blind Assigned
